Village Support – Coronavirus

East and West Ayton

If you are self-isolating we are here to help!

We are the East and West Ayton COVID-19 volunteer group group.

We know this may be a scary time for you, but you are not alone! We are a coordinated group of local volunteers here to support and protect you in whatever way we can.

We are approved by and working with East and West Ayton parish councils.

We are the only approved Ayton based volunteer group, please be vigilant of potential scams.

We can help with picking up groceries, picking up prescriptions, walking your dog, or just offering a listening ear!

Please call us on: 0113 360 2747 or 07451275795.

Please note we will not be able to get back to you if you withhold your number. Try to ring from a phone that will release or give your number when you leave a message

The call will take you through to an automated system and we will then put you in touch with a volunteer. Please be patient as the lines can only handle one call at a time. Standard network rates apply or please email us at: AYTONCOVID19RESPONSE@GMAIL.COM. Please only accept help from this group, government or charity approved agencies, or people that you know and can trust.

Can you volunteer to help those who are in self isolation or likely to be over the coming months?

Are you thinking self-isolation might be an option for you and you might need some assistance? Shopping, a phone chat, dog walking, getting a paper, getting a meal delivered?

Ring Terry Abbey on 01723 850032. Terry is the chair of the Parish Council and is coordinating the response for the village for those who can offer assistance or need it. He can send a volunteer to you safely and securely.
